

## To all Residents of Gilbert House

3rd<sup>st</sup> November 2021

Dear Resident,

### Re: Cladding remediation works at Gilbert House

We previously wrote to you to provide an update on the works taking place on your block, the cladding remediation work is progressing. We are writing to you now to notify you that a hoist will be placed on the side of the building to assist with the remediations works.

The hoist will be used between the hours of 8.00am to 4.00pm. It will vertically transport waste materials from the elevation and will aid in the advancement of the works. Jessella, thank you for your continued patience, and will endeavour to keep noise and dust to a minimum.

If you require any further clarification or have any questions about the works, please contact NewmanFrancis on the following number; **07541 916254** or write to us at [gwq@newmanfrancis.org](mailto:gwq@newmanfrancis.org). You can also check our webpage to see the latest updates about the project – [www.newmanfrancis.org/gwg](http://www.newmanfrancis.org/gwg).

The role of NewmanFrancis relates solely to the facade remediation works. Please continue to contact Notting Hill Genesis for other enquiries e.g. repairs reporting and housing management.

Kind Regards

Jacqueline Brown  
Resident Liaison Officer
