## To all residents of Golden Mile House

Dear Resident,

### Re: Washing down

We wrote to you last week providing an update in respect of the dismantling of the scaffold from Golden Mile House.

The completion of the work and dismantling of the scaffold will be accompanied by 'washing down' to clear dirt and debris from the elevations and balconies. The 'washing down' will be carried out by using a Jet Washer.

Residents are advised to keep their windows closed or only opened a small amount during working hours, to avoid any accidental water ingress.

If you require any further clarification or have any questions about the works, please contact NewmanFrancis by writing to us at [gwq@newmanfrancis.org](mailto:gwq@newmanfrancis.org). You can also check our webpage to see the latest updates about the project – [www.newmanfrancis.org/gwq](http://www.newmanfrancis.org/gwq).

Yours faithfully

Jonathan Small  
Resident Liaison Service Manager
