The first of a series of leaseholder consultation meetings will be held in the Ruslip Room of the Greenford Hall. We will be running a repeat online meeting. You only need to attend one of these meetings.

The meetings will be about developing the Leaseholders Charter, which will set out the obligations and commitments that SBHG give leaseholders for both the 'Buy-back' and remediation scenarios.

This process is an opportunity for leaseholders to tell us what you want in the Charter. At the meeting we will also give you feedback on the household survey and clarify the indicative timeline for the 'Buy-back' process.

It would be helpful if you could let us know if you plan to attend the in-person meeting on 12th July or the online repeat session on the 13th July.

Central West Household survey

What you told us

We carried out telephone or face to face interviews with 65 of the 69 leaseholders at Central West.

- **49 leaseholders told us they would be happy with 'Buy-back' subject to a satisfactory financial offer, 13 said that they didn't know and 2 said they did not want to sell.**
- **30 leaseholders told us that someone in their household has a medical condition or disability that affects their housing requirements.**

We will share more information from the household survey at the meetings on the 12th and 13th July.
