Dear all,

Firstly, thank you to all of you who were able to attend the meeting on Thursday 21st March and our apologies the technical issues at the beginning which were beyond our control.

Further to our previous meeting on 6th March 2024 and following on from the meeting on Thursday please find attached:

1. **Draft brief for Central West**
2. **Priority questions as discussed and agreed at the meeting on Thursday 21st.**

As mentioned at the meeting last Thursday, the management meeting scheduled for Wednesday 27th March 2024 is for 1 hour and therefore it was agreed by Central West Sounding Board Reps and Leaseholders to prioritise and focus on key areas as highlighted in the attached document. Nevertheless, all questions raised will still be shared with SBHA for a response, but will not be focused on at the meeting on Wednesday 27th March.

Both attached documents will be shared with SBHA and all Central West Leaseholders prior to the meeting.

Therefore, we would be most grateful if you could review the attached and share your comments by no later than 5pm, Monday 25th March 2024. In the meantime, we will be reaching out to you over the weekend to try and arrange a short meeting with yourselves as representatives of the Central West leaseholders.

The details of the meeting with SBHA Management & MP James Murray will follow shortly in a separate email.

Kind regards.
