Dear Residents,

Following various consultations and correspondence, I hope the presentation provides you with most of the required information and some comfort in understanding the work CLM will be carrying out. CLM is aware of the constant disruption you have experienced in your daily lives over the past few years. Our aim is to carry out these works with the least amount of disruption possible. Unfortunately, there will be some noise while working in the corridors, but we will aim to keep this to a minimum. Once we are ready to consult with you individually about the work required in your property, we will discuss an action plan that hopefully accommodates your work and home life.

We commenced site set up this week and will start works in the communal corridors on Monday 22<sup>nd</sup> July.

As you will see in the presentation, we have a dedicated team overseeing the works and their contact details can be found below.

#### Key Contact Details -

- Virginijus Pasvenskas – 07792318805 – Contracts Manager
- Jamie Court – 07961076220 – Resident Liaison Officer (on annual leave until 29<sup>th</sup> July)
- Rhiannon Staggs – 07791017131 – Lead RLO and CLM Account Manager

I will also be leading the project delivery until I am satisfied that the work is being carried out to CLM's highest standards. You are welcome to contact me at any time (including evenings and weekends) if you have any concerns that are not being addressed by the team. I will be at Central West on certain days (TBC), so please feel free to reach out if you would like to meet with me. I am also happy to correspond via email.

Kind regards,

A handwritten signature in dark ink, appearing to read 'Jamie Nalton', is written over a light blue horizontal line.

**Jamie Nalton**
