

New Festival Quarter

ACM Cladding Replacement Project

Commencement of works following Temporary suspension

Following the issuing of revised guidance by Construction Leadership Council and a review of the New Festival Quarter site operating procedures, it has been agreed to restart work on site from

Monday 4th May 2020

Work will commence at Navis House (block C), Casson Apartments (block A) and Boston Lodge, Passmore, Moro, Winchester (block B). The intention is to then begin erecting the scaffold at Lucienne, Mellor, Kerensky and Felix (block D) on Monday 18th May 2020.

A raft of new safe working practices will be implemented to ensure the safety of construction operatives, residents and other workers at the site. These include;

- ◆ **Fewer operatives working on site in order to better manage social distancing**
 - ◆ **Enhanced cleaning**
 - ◆ **Delivery drivers remaining in their vehicles**
- ◆ **Staggering break and meals times for operatives**
