

# New Festival Quarter

## ACM Cladding Replacement Project

### Temporary Cessation of works

**As a result of the current Government guidance on 'safe distancing' and the closure of many businesses. It has been decided to temporarily close the New Festival Quarter site.**

**Bellway Homes, Frankham Consultancy Group, Jessella and NewmanFrancis are committed to the safety of our employees, customers and their families and feel that with the unfolding situation, remaining on site is no longer an option. A site closure procedure has been implemented and the site will shut down on Friday 27th March, with all areas being made safe.**

**This site will remain closed until new guidance from the government that it is safe for work to re-commence.**

**The site Emergency contact number is displayed on the site hoarding, you can also contact your respective managing agents. Where scaffold is erected and alarmed, the alarms will be kept on, the alarms will be monitored 24/7 during the site closure.**

**Where access to your balconies is currently affected by the works, this will continue to be the case.**

**Please advise all members of your household not to climb onto the scaffolding.**

**As you will appreciate, this is an unprecedented situation that is out of our control, but we apologise for the disruption and inconvenience that this will cause.**

**If you require any clarification or have any further questions, please contact the NewmanFrancis Resident Liaison Service on 07591 422510 or email [nfq@newmanfrancis.org](mailto:nfq@newmanfrancis.org). You can also contact the NewmanFrancis office on 0208 536 1436.**
