

Summary and Themes from our first Public meeting

In the run up to the Ballot we held a public meeting in collaboration with the Broadwater Farm Residents association committee. It was a chance to make sure residents were aware of the Ballot options and the possible implications. There was approximately 25-30 members of the community in attendance at the Jazz Café in the Broadwater Farm community centre.

Introduction to Newman Francis

Mekor Newman and Curtis Donovan spoke about:

- Who we are
- Aims of the ballot
- The importance of getting involved in the ballot
- Our aims for engagement beyond the ballot

Presentation by RA members

Members of the RA stated their case for a NO vote and expressed concerns over Homes for Haringeys proposal:

- The Lack of ambition of the proposed scheme, in terms of the amount of homes (and family homes)
- Discrepancies about the increased rents proposed
- Room sizes and the actual footprint of the flats
- The removal of the health centre
- The effect for residents who have been decanted
- Impact of works

Resident Input — Queries About the Regeneration Proposal

- How will it affect us?
- How much will it cost us?
- When would works start?
- What about our repairs?

Council Officer Input

Council Officers spoke about:

- The benefits of the regeneration proposal
- Responded to grievances raised by the RA
- Responded to grievances raised regarding repairs
