

Newham Summer Programme

Throughout the summer holidays, NewmanFrancis supported Newham Council with their summer events programme for Canning Town Estate. Read below to see what we got up to.

CANNING TOWN FAMILY FUN DAY

Newham Council kicked off their summer programme of events for Canning Town on 4 August with a summer family fun day.

There was a wide range of activities for all the family to enjoy, including the chance to win a prize on the fairground stalls and a choice of great free food

The NewmanFrancis team were really happy to attend and it was lovely to see so many familiar faces having fun in sun.

COACH TRIP TO CLACTON

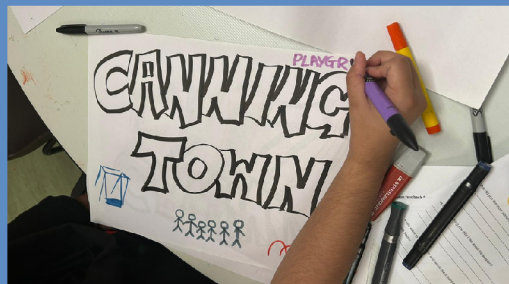

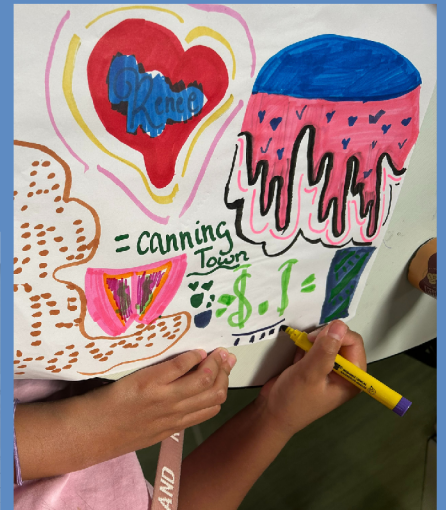

Over 80 local residents joined a coach trip to Clacton on Sea, organised by the Custom House Bookshop and Newham Council. The NewmanFrancis outreach team supported the trip and were on hand to make sure everyone had a safe and enjoyable day.

COMMUNITY ART WITH CURTIS

Young people in Canning Town took part in art workshops held at the Trinity Centre in Bothwell Close to design some graffiti art which will be painted on the hoardings near the new Vincent Street Regeneration Hub.

With the help of artist, Curtis Donovan, all their ideas have now been turned into a eye catching design, which the young people will be painting together soon.

Watch this space to see the amazing designs!
