CUSTOM MADE

Calling all locally-based makers, sellers and entrepreneurs!

We want to start showcasing all the things Custom Made* from Custom House and we want you to get involved!

If you are a maker, baker, cook, creative, artist, author, workshop facilitator or somebody with any kind of special skill, then we would love your help to launch the space and showcase all things Custom Made in July 2024.

We want to hold a showcase exhibition and event where we would show:

- 1 image of your work no larger than A2
- A short 50 word description of the activity, product or service provided
- A list of the top three things people can come to you for
- Social media handles

In addition, some people may have an activity that goes with their work that we can also host at Custom Made as part of a paid opportunity.

We want to hear from you!

What is Custom Made?

Hello and welcome to Custom Made, a transformation of the regeneration hub at 25 Freemasons Road into a new community project space where we hope to:

- grow skills in workshops
- grow businesses through a retail space
- grow enterprise through markets
- grow relationships through supper clubs and events
- grow knowledge through events and talks
- grow... anything else you can think of!
